

## **Preventative Measures in curbing the spread of Coronavirus at DSP Performing**

We, at DSP Performing, take the prevention of the spread of Coronavirus very seriously. We recognize that Performing Arts' activities require significant physical exertion resulting in a greater expulsion of air and as such that the everyday advice to limit the spread of the novo virus may not be stringent enough for Performing Arts' Classes.

The following measures are based on the UK Government Guidance:

*"Protective measures for holiday and after-school clubs, and other out-of-school settings during the coronavirus (COVID-19) outbreak" (Updated 20 August 2020); and*

*"Working safely during coronavirus (COVID-19): Performing Arts" (Updated 13<sup>th</sup> August 2020)*

as well as the general Government advice.

**The following measures are subject to change without notification  
as Government Guidelines are updated.**

### **Responsibilities undertaken by DSP Performing**

1. In the event of a local outbreak of Coronavirus or a significant national spike in cases, DSP Performing reserves the right to cease classes in a physical space and resume provision via an online platform e.g. Zoom
2. Similarly, if Wanstead High School ask us to take a break from teaching in their premises due to Coronavirus, classes will resume online.
3. In order to more effectively ensure social distancing of 3 metres in physical classrooms and teaching spaces, we have reorganized our classes from 5 groups to 6 groups of equal numbers. This produces smaller classes of no more than 10 students in order to minimize the risk of Coronavirus.
4. Parents will be informed the same day, if there is a suspicion that our students have been exposed to Covid-19
5. Wanstead High School will be informed immediately if there is a suspicion that any of our students or staff may have Covid-19 symptoms.
6. We will no longer provide paper copies of scripts, lyrics or any general instructions or directions to your child. Any such resources will be made available electronically through our Student Resources Folder on Dropbox.
7. We will make time during classes for students to wash hands. The timing of this will be staggered to avoid any congestion that may compromise social distancing.
8. Although we will follow similar timetables as in previous years, it may be necessary to cut short some classes in order to facilitate movement in the corridors without creating congestion.
9. In the case of several staff self-isolating, we reserve the right to send home any class or classes where adequate teacher cover cannot be put into place.
